PETER GUMLEY NSW CHAMPION FOR 2007

Peter Gumley has again pushed the venerable SCV to even further heights to become the NSW Hillclimb Champion for 2007.

Finishing with 98 points, it brings Peter's tally of championships to an amazing total of eleven.

Second in the outright was Stephen Hooker in the rapid Jedi Suzuki. Steve was outgunned in the power department but never stopped trying. Next was Tom Donovan who finished on 47 points and is doubtless looking for big things out of his newly acquired Pilbeam.

A full list of results is attached so all competitors can see how they went in 2007 and start plotting their campaign for 2008. The presentation of 2007 trophies is set at this stage for Saturday 1st March, 2008 in the BLCC clubrooms after the conclusion of Round 1 formalities. It's a good opportunity to have a noggin and a natter over suitable nibblies. More details to follow.

.

Next years calendar of events is listed on Page 3. Next year features a maximum of seven rounds, starting with the double header at Bathurst March and the grand finale is as usual, King Edward Park in October.

All seven rounds will count towards the Championship and we are hoping that competitors will give all rounds their maximum support. We all like to see a genuine contest of driver and car and we should thank the host clubs for taking on a round of the Championship.

The Panel would like to extend to you and your family the best of wishes for the Festive Season. Don't forget to leave something under the tree for the Chief Executive At Home, so that she will let you come and play on the hills in the coming year.

FARR AWAY at 50th MATTARA

ROUND 9 - King Edward Park

20th October 2007

Host Club: MG Newcastle

Supported by: 24/7 Roadservices

Sensational weather drew a field of almost ninety competitors to celebrate MG Newcastle's 50th Anniversary Mattara Hillclimb at the picturesque King Edward Park, a hill full of history.

The record books show a long list of past competitors, including Brabham and the Tauranac brothers and the wealth of information in the weekend's official program was astonishing. From every angle, the event was a credit to the Newcastle MG team.

Dave Morrow (the Krygger Suzuki now sporting ginormous wings) was into the lead (36.73s) at the end of the first run. Next quickest was

Steve Hooker (Jedi, 38.12s) with Neil Farr's Bowin Hay back in third position (38.16s). The Tamworth lad was unfazed however and quietly set about using the ample performance of the Bowin's V8 to trim FTD to 34.74s on his final run (approx 1 second outside the outright record). Part of Neil's success is shown by sub 19s first timing splits on his last two runs.

Morrow was second outright but pleased with the aero add ons by setting a new record for F/ L 751-1300cc of 35.73s. Steve Hooker was next on 36.27s and a surprise entry from Tom Donovan in the ex Andrew Howell Pilbeam not far away on 37.25s. Local driver Peter Robinson (PRS) took out the F/L 1.3-2000cc class and fifth outright.

Ron Hay (RH Honda) lowered the Group R class record to 38.52s while Stan Pobjoy finished seventh outright, the VW Special now sporting a delightfully shrill sounding supercharger. Fastest Tin Top and a new record for Late Model/4WD cars went to the rapid Misubishi Evo of David Finnimore (39.29s) while next was Fastest Lady, Amy Mrcela in the Elfin/VW. Greg Hunter (Elfin)was next from Alan Hindes' Piranha and Gundy Hunt (Torana) in twelfth outright

One golden moment (amongst many) was Paul Hamilton setting a new Group O record (and 13th outright) in his very pristine, period Elfin 600. Long time enthusiasts know that Paul won this event a total of ten times through the seventies and eighties and nineties (no less than five occasions in this very car).

It's good to see that neither driver nor car has lost any edge.

A Message From The Panel Chairman

Chairman's Report - January, 2008

Hi all

I start this year with some big boots to fill, those of Barry Thew, who has been involved with the panel for the last 15 years or so. Thank you Barry, all of your efforts behind the scenes have been remarkable.

It is which much sadness to note the loss of a great competitor and mate in Geoff Lord, who passed away enjoying his passion, hillclimbing at Huntley. We will miss you mate. I wish all the best to his family, Heather, Jessica and Owen.

To our panel members, Barry, Ron, Alan and Dennis, thank you for you contributions in 2007, and look forward working with you in 2008. We will be joined by Eva Firminger and Alan Dann. A special thanks to Ron Hay for keeping the points score up to date and to Alan Barlow for his fine efforts in the website. Our thanks also go the continued support of our website host, <u>www.icbweb.com</u>, Thank you very much. Please support our sponsors.

I would like to encourage some more sponsors to donate, this may give our championship competitors a little more to aim for, so please encourage the businesses you deal with for sponsorship.

I would like to encourage all members of the motorsport fraternity, drivers, spectators and officials to give me and the panel feedback on what direction you wish the future of hillclimbing to go. Please call me or email me with any suggestions etc. These can then be discussed at our monthly meetings.

We as a panel, have chosen to run seven rounds this year, in response to many requests to reduce the number of events. The main reason being the cost of attending so many.

Our first event will be a double header at Bath-

urst and I expect that it will fill very quickly so don't forget to get those registration forms in. Don't forget that the Australian Championship will be a Bathurst also!

The trophy presentation for 2007 will be held at Bathurst Light Car Club after the day's events on Saturday,1st March 2008 and I look forward to seeing you there.

May you all have a safe and enjoyable year in 2008.

Yours in Hillclimbing

Bob Wootton

Chairman 2008

The Big Quiz

Oh No He's Done It Again!

Hot on the heels of claiming the previous Big Quiz, (see picture at left), Grant Liddell has again come in with all the answers for the picture on the right.

The correct answers were Raymond Mays (driver) and Peter Berthon (passenger).

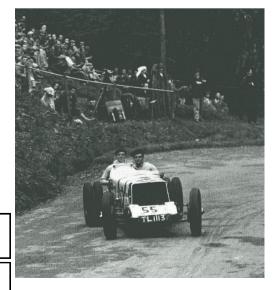

They went on to be the driving forces behind the BRM Grand Prix team, starting with the mighty supercharged V16 1500cc machine of the fifties and culminating in the F1 championship winning 1500cc V8 of 1962.

The panel is considering sanctions against \mbox{Mr} Liddell to avoid any further similar outcomes. (Just kidding)

2008 just could be your year, so have it recorded properly. Talk to Alan Beattie, he will be at most rounds and check out his work on <u>awbphoto.com.au</u>

Our website <u>www.hillclimbnsw.com</u> is undergoing a facelift courtesy of icbweb. We hope you will like the result, please give us your feedback.
