## PRESS RELEASE - Change of Venue for Round 6

### CHANGE OF VENUE FOR HUNTLEY ROUND

The NSW Hillclimb Panel (as approved by the State Executive of CAMS), have changed the venue for Round 6 of the NSW Hillclimb Championship from Huntley to Tamworth on the 14th September 2008.

This has been done as the Wollongong Sporting Car Club has been unable to confirm that the Huntley venue will be available and have relinquished the round.

We thank the Tamworth Club, as well as Kempsey and Buladelah who all stepped up to run the round.

We look forward to the time that Huntley Hill will be available again.

Yours in Hillclimbing

Round 4 Report – Mountainview, Grafton Host: Grafton Sporting Car Club

A good sized field made the trek to the northern rivers area of the state for Round 4 of the NSW Championship at Grafton's tight Mountainview course.

Series leader and eleven times state champion Peter Gumley was a shock last

On the third run Tim Edmondson had an uncharacteristic spin just short of the finish (but that's Ok 'cos we got it on video - coming soon).

Dave Morrow improved to 46.43s while Queenslander Bill Norman bobbed up in the timesheets with the unconventional Gek (Gecko?) Sports at 46.78s. A light shower then intervened to slow times for most. Norman being one exception, moving to a record setting second outright on

45.20s on his final run. Its good to see a sports car up with the front runners.

#### Notes

- \* An enjoyable weekend for the visitors, thanks to the hard working GSCC team lead by Bill and Ken Norton and Event Secretary Gail Layton.
- \* Improved Production 1601-2000cc was hotly contested, with a total of eleven entries.
- \* Bike engines were well in vogue, eight of the top twelve cars so powered.
- \* Bad luck claimed Tom Donovan's effort with engine problems sidelining him on Saturday.
- \* The Pilbeam looks impressive though, now sporting a huge turbo and reportedly producing prodigious power. We look forward to its next outing

chanical maladies at the Queensland championship, the week previous. This certainly opened up the possibilities for a surprise result, helped by a good compliment of entries from over the border.

The weather started fine and warm, which matched the local hospitality as Tim Edmondson (Force PC) got things underway with a 45.61s run, ahead of Dave Morrow (Krygger Suzuki) 47.47s and Allan Hindes (Piranha) 49.02s.

The second run saw Tim set a new Formula Libre 1300cc-2000cc class record of 44.12s with Dave Morrow 46.43s, Dick Willis (Cheetah) 47.13s and Phil Pratt (Trojan) 47.27s

Other new records were set by Brian Veal (CRX), Stu Inwood (Nissan GTR), Craig Albertson

## The Big Quiz

This is respected driver and engineer, Paul England driving the Ausca in the early 70's at King Edward Park.

Q: What somewhat unusual feature does this car and Warren Creagh's Twinnie have in common?

#### Ahahhhh!!

We have a winner!

The answer we were after was **TWO ENGINES** 

And the winner...Gundy Hunt!

As Gundy appears to have cornered the market in Hilltorque Red, the Panel may have to consider a counselling session to prevent a further occurrence!

## A Message From The Panel Chairman

Hi all Competitors, Spectators, Sponsors and Friends

What a remarkable year so far, the championship is now hotly contested.

<u>Please Note: The venue has been changed for round six on the 14<sup>th</sup> September.</u>

The Wollongong sporting Car Club, despite their efforts and the hard work of CAMS are unable to run Huntley Hill-climb. This round has been picked up by Tamworth Sporting Car Club. Many thanks to TSCC.

Also thanks go to Kempsey and Buladelah as they also offered to run the round.

Another big thank you goes to Eva Firminger for offering her services to Tamworth to be event Secretary.

To our panel members, Barry, Ron, Alan, Dennis, Eva and Allan thank you for your continued support.

Have you looked at the website lately, <a href="https://www.hillclimbnsw.com">www.hillclimbnsw.com</a>

Alan Barlow has been busy with his new toy, the video camera while his wife has been very busy taking stills and a great

collection is on the website. Many thanks Alan and Eileen, and look forward to many more candid shots.(Sideways gear).

Our thanks also go the continued support of our website host, <a href="www.icbweb.com">www.icbweb.com</a>, Thank you very much. Please support our sponsors.

**SPONSORS**. Are you or do you know of some potential sponsors for the championship? This will give our championship competitors a little more to aim for, so please encourage the businesses you deal with for sponsorship.

We have a lot to offer them in return.

Buladelah hill is set for a revival with an event scheduled for the 21<sup>st</sup> September, a multi club event, where the Town is getting involved with a show and shine and other community events. Watch for the

Warning: Some competitors are trying to bend the rules lately, I have had a few complaints. Compliance checks will be done and with the Australian Championship not far away, other competitors will be looking hard at your car. We do not want to keep the stewards busy with protests

supp regs and have a practice for next year as they have told me they will apply for a round in 2009. Please support this event to help the club secure another Hill into the future.

I would like to encourage all members of the motorsport fraternity, drivers, spectators and officials to give me and the panel feedback on what direction you wish the future of hillclimbing to go. Please call me or email me with any suggestions etc. These can then be discussed at our monthly meetings.

May you all have a safe and enjoyable events in the second half of 2008.

Yours in Hillclimbing

Bob Wootton Chairman 2008

\* Planning to enter the AHCC in November? BLCC have an Esses Hillclimb set down for 27th July, and 31th August. Could be good for those wanting a little practice before the big weekend. Visit <a href="https://www.blcc.com.au">www.blcc.com.au</a>

\* As Bob Wootton mentioned, an event at Buladelah is scheduled for 21st September. For more details, visit www.myalllakesmotorsportsclubinc.com.au/
