RAIN FAILS TO DAMPEN THE FUN AT FAIRBAIRN

Round 3 - Fairbairn Park, Canberra

April 13, 2008.

Host Club: Southern Districts Motorsport Association

The competition was hot despite the couple of showers (and hail) that swept through during the day.

A damp track slowed times on the first run with Steve Hooker (Jedi) taking up the early lead (45.78s). But as the grey was replaced by blue skies the times began to tumble. Peter Gumley (SCV) was first (and only) competitor to drop below 40s, finally registering an FTD of 39.14s on his fourth run.

Meanwhile, Tim Edmondson appears to have shaken all those monkeys off his back and has the Force cooking. He finished with a new class record (40.79s) and second outright. Steve Hooker (Jedi/ Suzuki) had to settle for third outright (42.13s).

In the up to 750cc F/Libre class Phil Pratt

(Trojan) broke David Hill's longstanding record to finish fourth outright just ahead of Tom Donovan (Megakart) and Searle Courtright (Axtell Suzuki).

While Steve Hooker was taking out the 751-1300cc class a handy battle developed between John Bown (Altin) and Nick Mason (Sparrow) with only a few tenths separating them in eighth and tenth positions.

In Tin Tops, Stuart Inwood was at his best, making ample use of the Skyline's all wheel drive and finishing with a creditable sixth outright (45.85s) and a new class record.

A fine drive from Arthur Hollins (Cortina) produced a ninth outright result.

A welcome addition to the NSW Championship at Fairbairn was Canberra driver Michele Guyer. Michele created a lot of interest as she tried out the new mount, a stunning March Formula Holden. We look forward to seeing more of this combination in the future.

Other new records included Tim Norris (Datsun 280ZX), Paul Finch (PRB), Brad Goulding (Nota) and Bob Wootton (Lotus).

TIM USES FORCE

Round 2 – Mountain Straight, Bathurst. Edmondson March 2, 2008 Edmondson

Host Club: Bathurst Light Car Club

Supported By Bathurst RSL

Day two of the Bathurst double header saw the field head to Mountain Straight, one the longest and fastest 'climbs in Oz. There were lots of records broken and the outright result was in doubt right till the end.

Tamworth's Neil Farr (Bowin Hay) was into the lead after the first run of 42.25s, ahead of Peter Gumley (SCV) by .02s. Next was Tim Edmondson's high tech bike engined Force PC (43.58s).

Then things started to happen! Gumley responded by setting a new outright record of 41.16s despite seizing the blower as he approached the finish line and nursing a fading clutch. The SCV was now a scratching but Peter could be forgiven if he had assumed that FTD was well in hand.

Edmondson meanwhile chipped away at the deficit but was still nearly a second in arrears as he began his final run.

In a copybook performance Tim stopped the clock at 41.15s – quickest by one hundredth of a second! A fine result for the Edmondson team, who have had to overcome a lot of mechanical frustrations in the past 12 months.

Almost unnoticed, Neil Farr finished third outright on 51.51s a mere 0.36s in arrears with Steve Hooker (Jedi) fourth outright.

Stuart Inwood stormed up the mountain to be fastest Tin Top in the Nissan GTR (47.19s) ahead of Wayne Burden's immaculate Gemini Sports Sedan (58.56s).

A new Group R record and eighth outright for Ron Hay (RH Honda) while Phil Pratt (Trojan) finally turned the tables on Tom Donovan (Megakart) in the hotly contested up to 750cc F/Libre class for seventh outright.

Matt Halpin (Torana S/Sedan) made a welcome return to the hills, and finished tenth outright, while the ever competitive

Christine Campbell upset husband, Heath in the Beetle to take out the Imp Production 1601-2000cc class.

Record breakers included William Parsonage (0-1600cc Open Sports PRB), Donn Vidler (0-1300cc S/Sedan Mini), Aden Hadley (1301-2000cc S/Sedan Datsun) Arthur Hollins 2001-3000cc S/Sedan Cortina) and Phillip Haynes 3J Imp Production XB Coupe).

HOWELL TAKES FIRST ROUND WIN

Round 1 – The Esses, Bathurst

Host Club: Bathurst Light Car Club

March 1, 2008

Supported By: Bathurst RSL

The season got off to a great start with the BLCC's opening round on The Esses course (part 1 of their popular double header). The track was in perfect condition, the weather all weekend just great and the competition fierce but friendly which augers well for the Australian titles to be held there in November.

The outright contenders put on a good showing as defending NSW champion (and National Champ) Peter Gumley took the early running on 22.53s in his supercharged SCV. Next quickest was Victorian ace Andrew Howell (Gould GR55B) and Tim Edmondson in the under 2 litre Force PC and Neil Farr (Bowin Hay).

As the second and third runs unfolded things started to get real interesting with Andrew Howell charging into the lead on 22.20s. Gumley was starting to struggle as the SCV's clutch began to fade and Tim Edmondson demonstrated the outright potential of the Force as he closed the gap in third (23.47s). Neil Farr (Bowin Hay) meanwhile cemented a solid fourth outright and Steve Hooker was next best in the under 1300cc Jedi after a hasty engine change!

On the fourth run Andrew Howell made the tow from Victoria worthwhile, claiming FTD with a very neat run of 22.17s and Gumley went no quicker. The Edmondson team settled for third outright, ecstatic to have overcome unreliability problems that have plagued them for the past 12 months.

In up to 750cc F/Libre Tom Donovan (Megakart) (26.47s) just pipped Phil Pratt ahead of Searle Courtright and co-driver Steve Moxon having their first run in the Axtell Suzuki.

Ron Hay (RH Honda) took sixth outright and a new Group R record of 25.90s, Greg Ormerod established the Group C record of 33.70s in the beautiful ex Bo Seaton Capri and Robert Kolimackovsia set the record of 32.24s for the newly established non championship class.

A Message From The Panel Chairman

Chairman's Report - June, 2008

Hi all

Well what an exciting year so far.

With a double round at Bathurst seeing some heavy competition for outright.

Fairbairn saw some great competition, showing that over the break some refinement of the cars has taken place.

It is great to see so many new faces in the championship.

Our lady competitors now has some heavy competition as Michelle Guyer has that formula Holden well under control, Joanne is flying in that mini and a great two rounds for Nicole Ormerod. Christine Campbell is also flying in the VW and we can't wait for Karen to return in that very quick Skyline. Great Ladies, keep up the good work.

The Lord family has donated a Memorial trophy to CAMS and it has been given to the hillclimb panel to be won by a person involved in Hillclimbing. It will be won by someone that emulates the passion that Geoff had for the sport.

To our panel members, Barry, Ron, Alan and Dennis, Eva, Allan Dann, thank you for you refforts so far in 2008. Please let us know if there is something that we can help you with.

To Alan Barlow and the website host, <u>www.icbweb.com</u>, Thank you very much. The website is looking great and please support our sponsors.

May you all have a safe and enjoyable year in 2008

Yours in Hillclimbing

Bob Wootton

Chairman 2008

Special Announcement: The Panel would like to announce that Kevin Brown has accepted the position of Series Scrutineer. Kevin brings a wealth of experience as both scrutineer and competitor and is a welcome addition to our ranks.

The Big Quiz

This is respected driver and engineer, Paul England driving the Ausca in the early 70's at King Edward Park.

Q: What somewhat unusual feature does this car and Warren Creagh's Twinnie have in common?

First correct Emailed answer to Bob Wootton wins a bottle of our exclusive Hilltorque Red
